Fall/2020

From the President's Desk:

Happy Navratri and Vijayadasami greetings to all our ATMGUSA members!!

It has been a tough year to all of us and each and every one of us have been a warrior in this fight against Covid.

Navratri, the festival of nine days and nine nights, comes as a resurrecting event to kindle our spirits and imbibe new confidence in us. May this festival lead us from ignorance to wisdom and from darkness to light.

There is something magical about this festival as it transforms the ordinary into the extraordinary, darkness into light and agony into ecstasy.

We are proud to launch our magazine "Telugu Velugulu" recently in Chicago at AAPI mini convention. I thank every one of you for your achievements and contributions to the "Telugu Velugulu" Magazine. I am especially thankful to Drs. B K Kishore and Suresh Reddy for their effort to release the souvenir at the event in Chicago

During this festive season, ATMGUSA is requesting members to sponsor a page in the magazine and send your professional achievements in organized medicine and other contributions and accomplishments to be included in the updated edition of the souvenir.

Thank you and Best wishes,

**Sushma Nakka, MD
President, ATMGUSA**

President:
Sushma Nakka, MD
President elect:
Soumya
Neravetla, MD
Vice President:
Srinagesh
Paluvoi, MD
Secretary:
Padmaja
Adusumilli, MD

Sunil Kaza, MD &
Anupama
Gotimukula, MD
Past President:
Ravi Kolli, MD
BOT Chair:
Srini
Gangasani, MD
Co-Chair :
Raghu
Lolabhattu, MD

The brightest of Telugu Velugulu: Dr. Yellapragada Subbarow: A great scientist, who did not receive the Nobel Prize.

He was quick to share successes with colleagues and was known for his acts of generosity. Dr. Subbarow said, "Victories of science are rarely won single handedly. No one man should get the (entire) credit."

AAPI NEWS:

Congratulations to ATMGUSA members who won in last AAPI elections:

Vice President Ravi Kolli, MD

Treasurer Satheesh Kathula, MD

Regional Directors:

Sunil Kaza, MD

Sujit Punnam, MD and

BOT Members:

Raghu Lolabhattu, MD and

Vishweswar Ranga, MD.

Other members on the current AAPI board include:

President Sudhakar Jonnalagadda, MD

President elect Anupama Gotimukula, MD and

Past President Suresh Reddy, MD.

Thank you note from Past President of ATMGUSA

ATMGUSA was started by some very astute leaders several years ago, who had prescience and vision and it has been one of my most distinct honor to serve this prestigious organization.

They formed the organization to undertake impactful public health initiatives, share knowledge and forge a powerful network of likeminded physicians of Telugu origin. Their efforts have borne fruit and the results of which are very much evident for all to see.

Our beloved organization also brings together different generations of Telugu physicians, so we can lean and grow from each other's experiences, expertise, and perspectives to take the torch forward.

We all had great time at AAPI Atlanta Convention in 2019 (prior to the pandemic) at the inauguration of Dr. Suresh Reddy as President of AAPI 2019-20 and now followed by Drs. Sudhakar Jonnalagadda (2020-21) and Anupama Gotimukula (2021-22) in the coming years.

I especially want to thank all our esteemed members for their advice, constant encouragement and unconditional support enabling my election as vice president of AAPI now. Thank you from the bottom of my heart.

**Sincerely,
Ravi Kolli, MD
Past President, ATMGUSA**
